

BULLDOG

BATESVILLE HIGH SCHOOL BULLDOG

1970

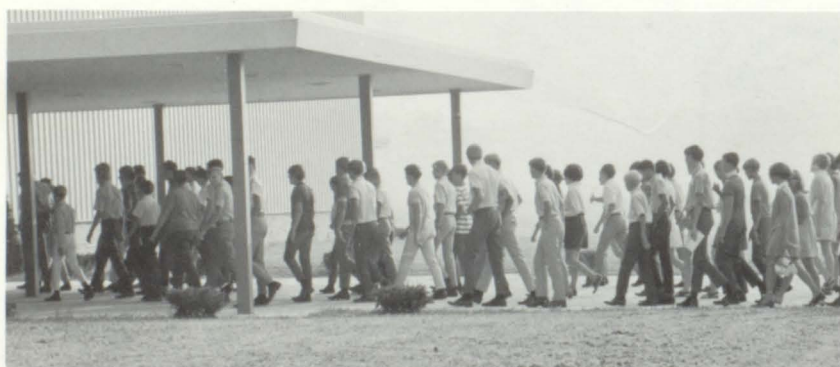

Hay big kid!

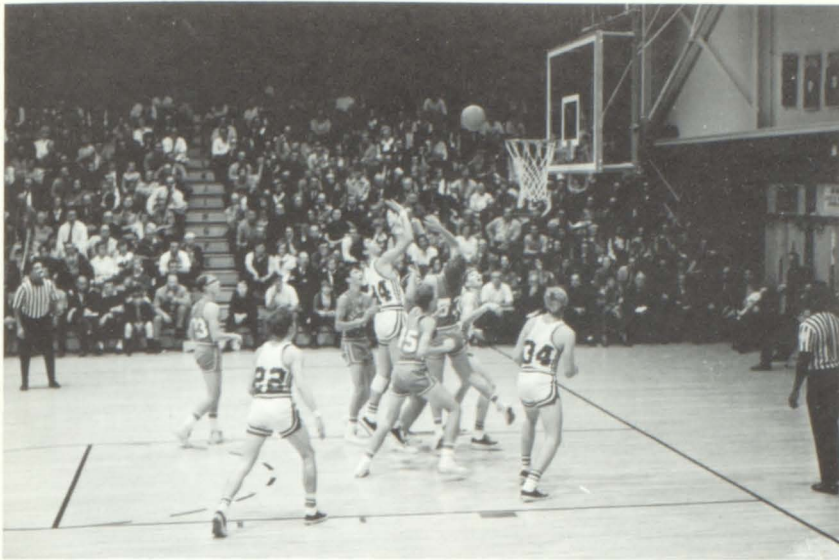

Where are you going, the game not over yet.

"Lets go get them bums"

"Hut, two three, four . . ."

Our undefeated E I A C Champs
in action.

"Now look here fellas, I know this
is tough but . . ."

Man, I just can't figure this one
out, how about some help
someone.

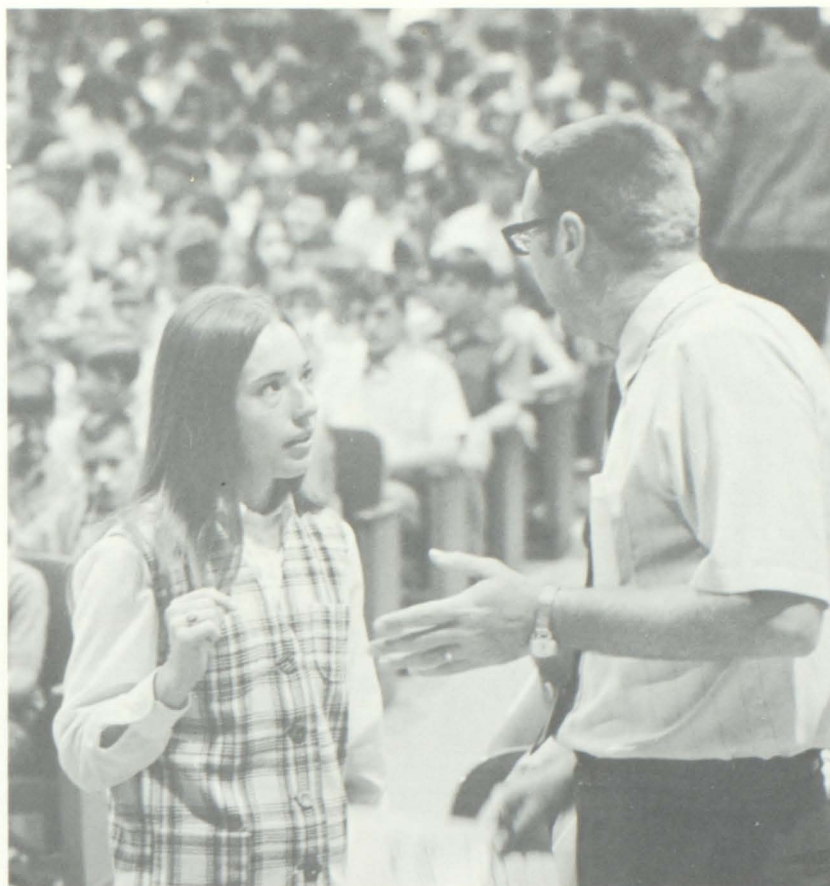

We are the YOUNG

As students we are a part of Batesville High School and a part of the community in which we live. Even more important to us is that we are Young Americans. Throughout Batesville, youth can be found striving to obtain an education and working within the business world; each enjoying every minute of life

in his own way. This generation makes up the Young America of today.

We find some of them preparing academically to meet the challenges of the ever-changing scientific world. Some are trying to develop the physical fitness typical of Young America. Still others are preparing

AMERICANS

themselves to meet the social and career responsibilities in the mechanics of our everyday living.

We have contributed to our school and our community throughout our high school years, but now we must move on and search for higher goals.

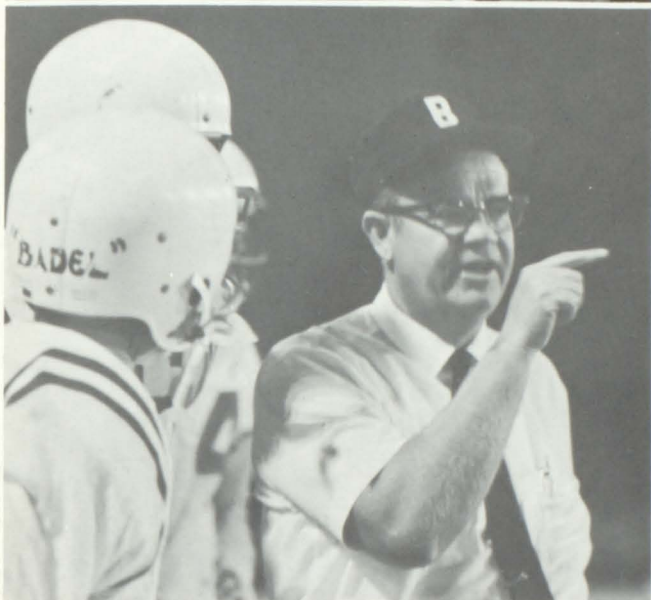

Fountain Enchants Couples at Prom

As the couples entered the new gymnasium for their 1968 Prom, they focused their attention on the fountain situated in the center of the dance floor.

At the customary hour of ten o'clock, Mr. Lemen crowned Cheryl Lamppert Queen. The Queen danced the traditional "Queens Dance" with Prom King Dick Frushour. After the Queen's Dance, the couples danced to both slow and rock music until midnight when they dispersed to prepare for the Post Prom.

These are the people who hold the thankless jobs of driving us to and from school, cook our meals, and clean up after us. Without the services of these dedicated few, school life would be more hectic and chaotic than it is.

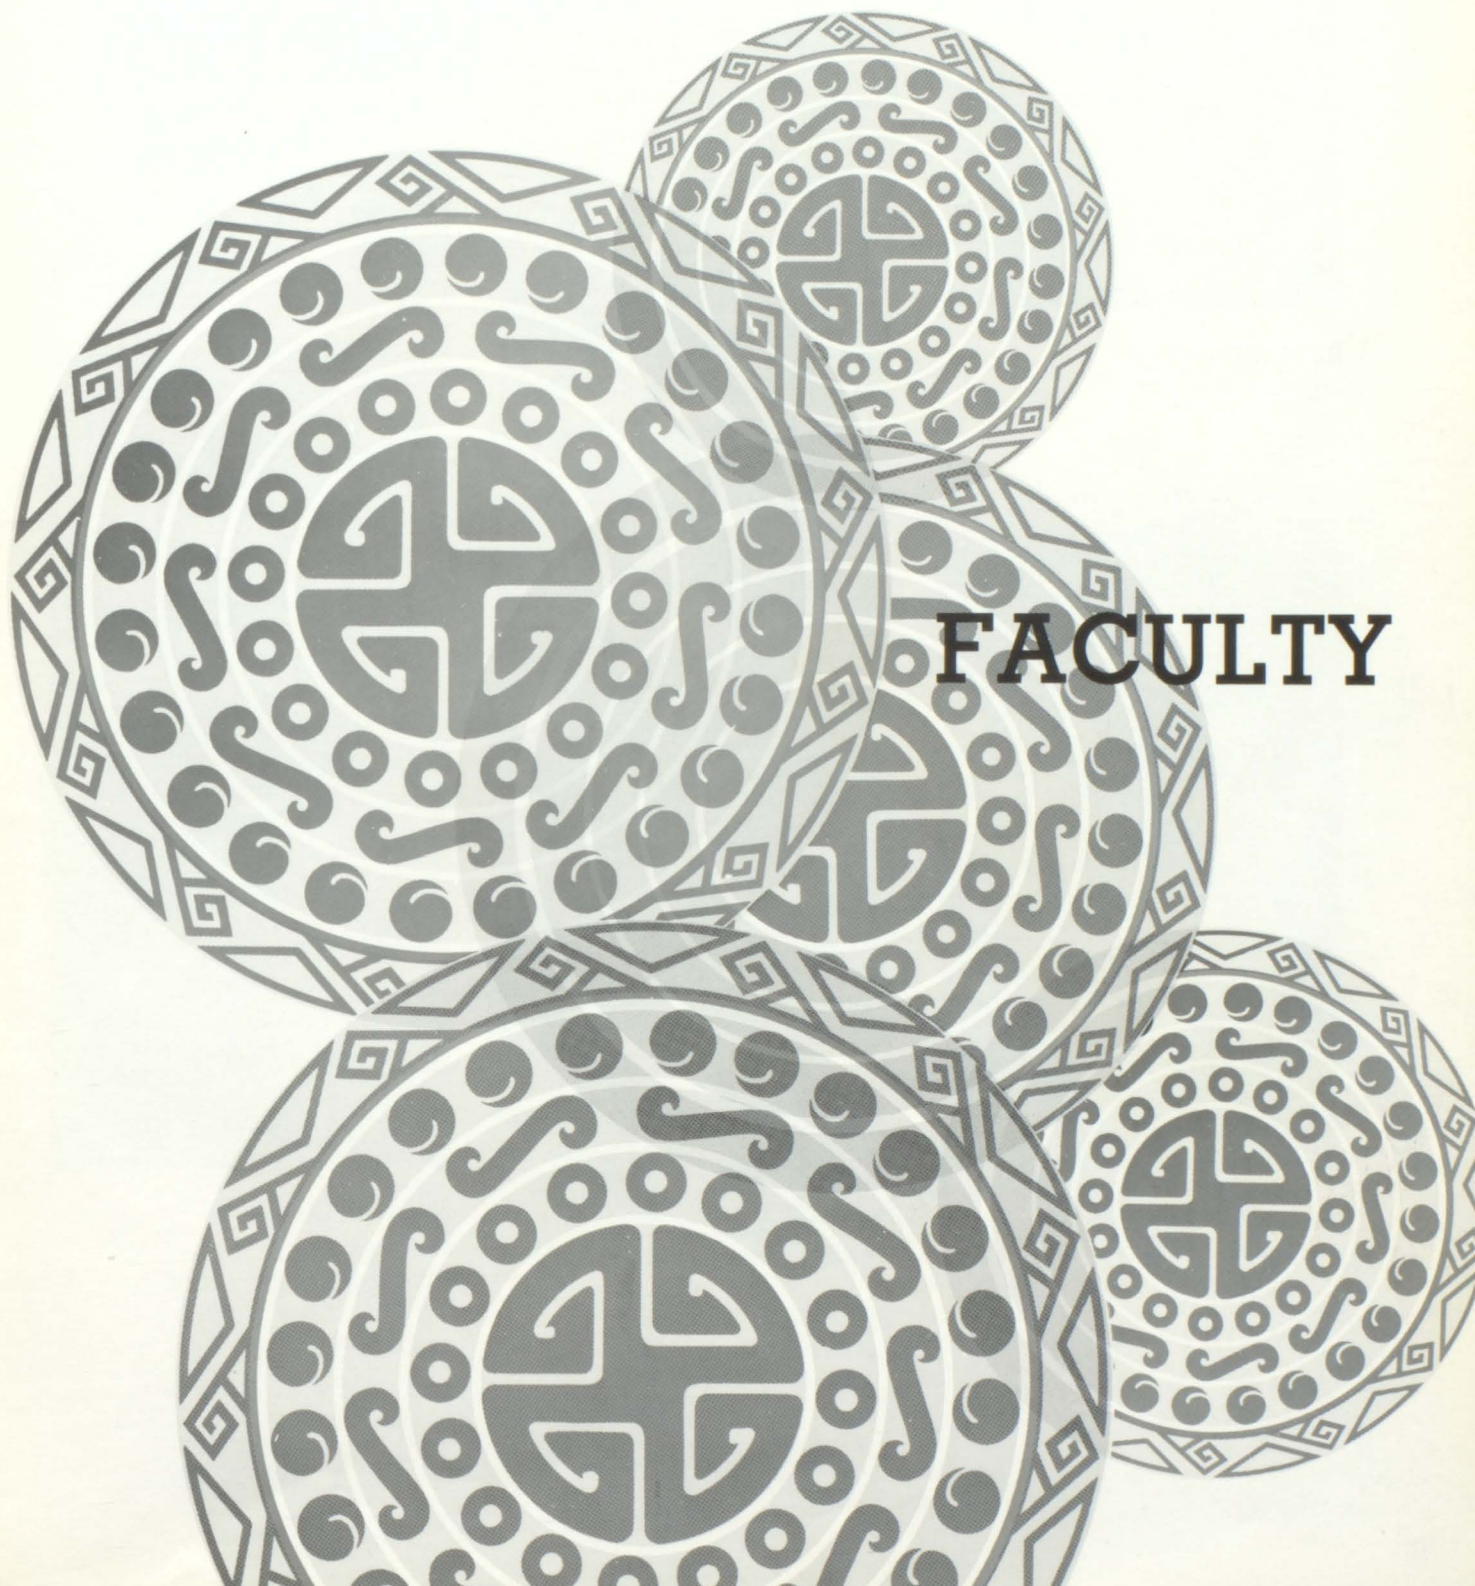

These have to be the most patient men in the world.

The ladies of the kitchen staff.

Our custodians.

HI-Y

The primary purpose of the Hi-Y organization is to provide two projects that can be considered as worthwhile community efforts. Hopefully the carrying out of these projects will teach the members to work together and organize their efforts. The results of such projects have been and still are in evidence around BHS and the community.

Lettermen's Club:

The purpose of the B-Men's is to further the school spirit from the relationship of the entire athletic program; (from within the ath. program). The organization is in charge of concessions for all varsity contests. The funds will be utilized in the best interests of the athletic program.

Future Nurses

The Future Nurses organization is open to anyone interested in any field of medicine. The organization helps each member learn more about specific health careers through field trips to hospitals, health clinics, etc. Each member works in the school clinic getting first-hand knowledge of nursing.

This group is sponsored by Miss Given who is assisted by Mrs. Hisrich and Mrs. Crowell.

Future Farmers

This is one of the largest and most active organizations at BHS. It is composed of boys interested in various areas of agriculture. The boys go on field trips and participate in many judging contests. The group has won many awards and honors for its efforts in judging and speaking. Mr. Ferringer is the sponsor of the local FFA chapter.

FHA

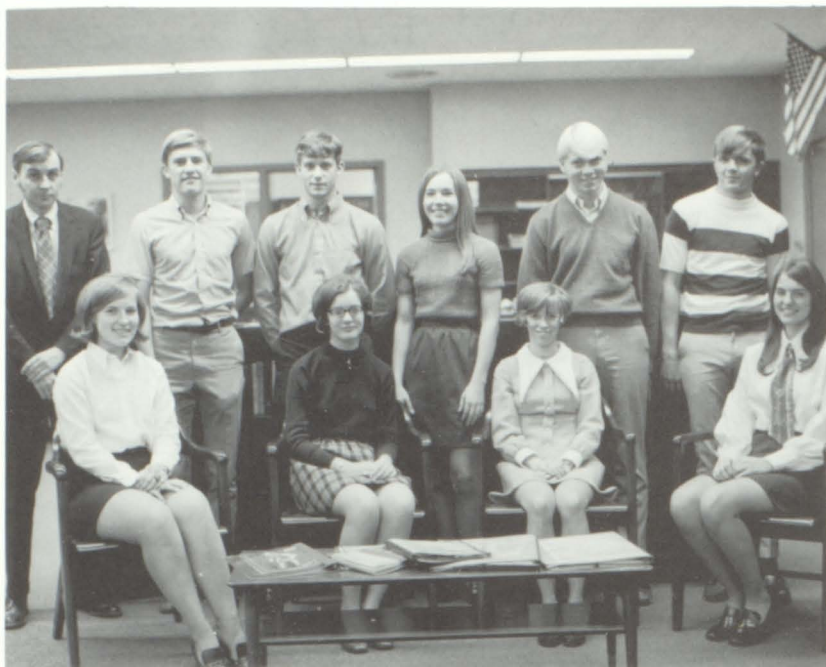

Each year the Future Homemakers sponsor a clothing drive for the needy. They hold various bake sales during the year and the year is capped off by the annual Mother-Daughter Banquet. Miss Green is the sponsor of this organization.

Science Club

Under the sponsorship of Mr. Raver, the Members of the Science Club meet monthly to conduct experiments and to learn about the new and vast scientific fields opening up every day. The Science Fair and this year sponsored a movie as a money making project.

National Honor Society

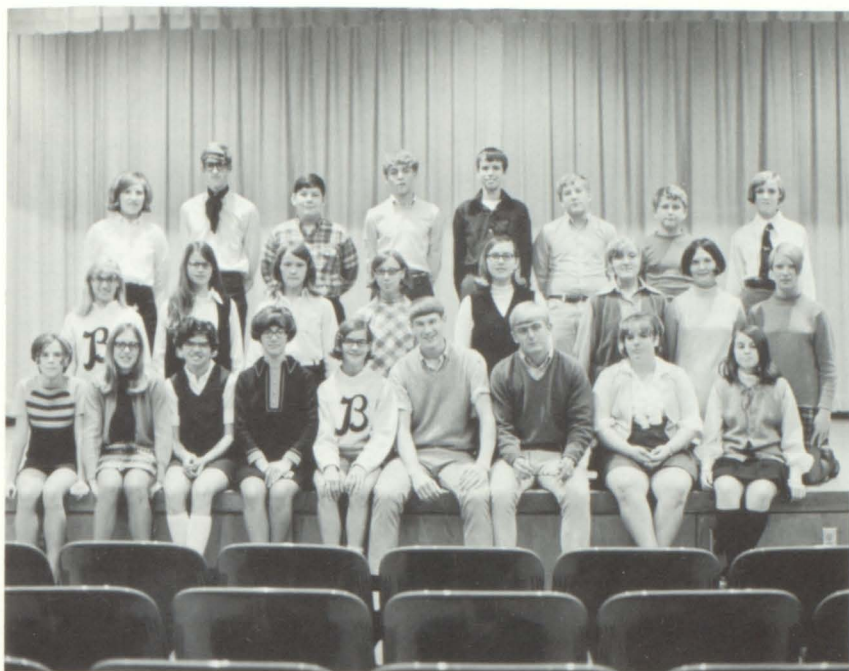

The National Honor Society is open to juniors and seniors who have an academic average of 88% and are voted into the local chapter by the high school faculty. Members are chosen on the basis of scholarship, service, leadership, and character. Membership in the National Honor Society is recognition for accomplishment.

Mr. Brokamp sponsors the local Society.

Student Council

The Student Council is the governing body for the student body. The Council attempts to improve students' attitudes as it enriches student-faculty relations. The president this year is Eric Bedel. The sponsor is Mr. Setear.

Debate Club

The Debate Club's aims are to give training in the technique of argument and application of that training to contest debating. Intramural debates are held at the freshman and sophomore level with intraschool debates being planned for junior and seniors. Juniors and seniors debate the national topic which this year concerns "United States Military Policies."

The group is sponsored by Miss Masters.

Librarians

The Library Club is open to those students interested in library science. Each six weeks one or two of the members serve as Librarian of the Day. This gives all the student librarians experiences and responsibilities in the actual working of a school library.

Miss Hiatt is the group's sponsor.

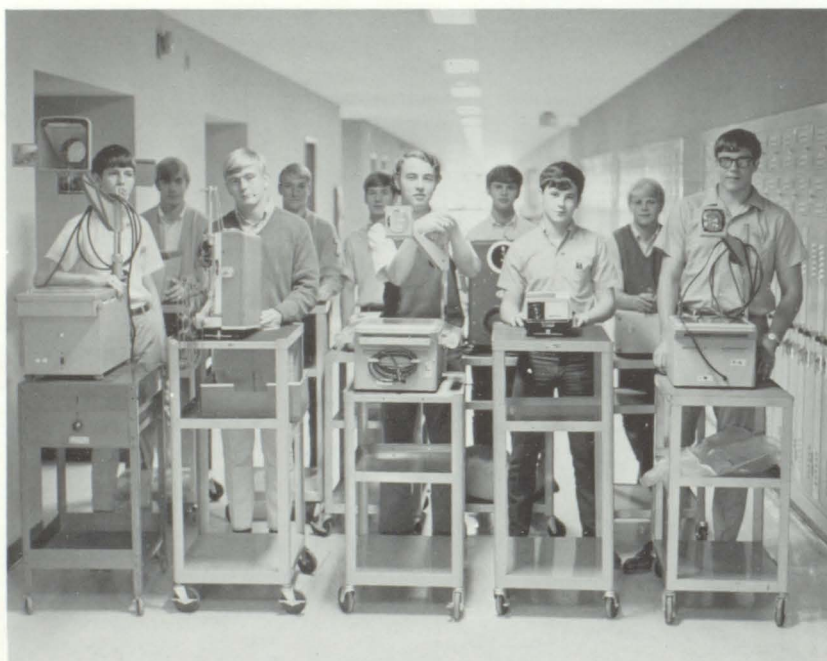

G.A.A.

G.A.A. offers many girls in High School the chance to participate in a wide variety of sports, including volleyball, hockey, basketball, softball, and also gymnastics. It also promotes good sportsmanship and fellowship.

This year awards were given at the end of the year. Seniors with 500 points received plaques, Juniors received pins, Sophomores received emblems, and Freshmen received sweatshirts.

Projectionists

These volunteers are assigned to the A-V Storage Room for one period each day. They supervise the checking in and out of A.V. equipment as well as to set-up use A-V equipment for teachers in classrooms.

The High School Chorus under the direction of Vernon Spurling performed in the Spring and Christmas concerts, the Ripley County Music Festival and many school convocations.

A Swing Choir has also been organized this year. They sing folk and popular songs.

to Dog Spirit

The stage band performed this year for the Superintendents' Club held at Batesville. They also perform at plays and civic affairs. This organization is composed of people interested in more contemporary music.

Entertainment at halftime was provided by the Batesville High School Majorettes. The majorettes are under the direction of Carol Lamppert, Head Majorette. They are from left to right Vicki Flodder, Carol Flodder, Patti Schulte, and Kathy Lamppert.

Majorettes and Drill Team Add Enthusiasm

The Forensics Club, under the direction of Mr. Hayes, is an active organization which enables the students to develop their talents. Last year, a production of OUR TOWN was presented. The third act of OUR TOWN was again presented to the neighboring superintendents in November. Other plays were presented in January and May. The officers are as follows: Dave Obermeyer, Pres.; Vicki Frye, V. Pres.; Nancy Hoyer, Sec'y; Vicki Flodder, Treas.

Forensics Club Stages "Our Town"

Mr. Hayes, director, gives last minute instructions.

Bart Bartling, Tom Buck, Dave Obermeyer, (Editor),
Mr. Bogenschutz

The Broadcast seeks to be a line of communication between the school and the home. Being concerned only with school news, it attempts to give BHS students recognition for achievements, both academic and athletic. A calendar of coming events is included in the paper.

Our paper, written by the journalism students under the direction of Mr. Bogenschutz, is a self-supporting unit.

Bulldog Staff

Creating a yearbook is a never-ending job for the members of the annual staff; it is a constant source of worry and much hard work. The Bulldog office comes alive in September and remains a center of activity until the final deadlines are met in April.

Editorial Staff: L. to R. N. Hoyer, C. Smith, P. Schulte, V. Flodder, P. Schwab, S. Mollaun, E. Kops, M. Nolte

These senior members of the editorial staff will be sorely missed next year.

Varsity

During the spring sports seasons, Batesville plays a tough schedule which includes Arlington of Indianapolis, Noblesville, and Seymour which are always contenders for state honors. The "dawgs" have had their honors in "67", "68", and "69" by winning the sectional. The 36 game schedule is what makes B'ville a winner. The expectations are high for the 1970 squad to capture the E. I. A. C. crown and win the all-sports trophy.

Junior Varsity

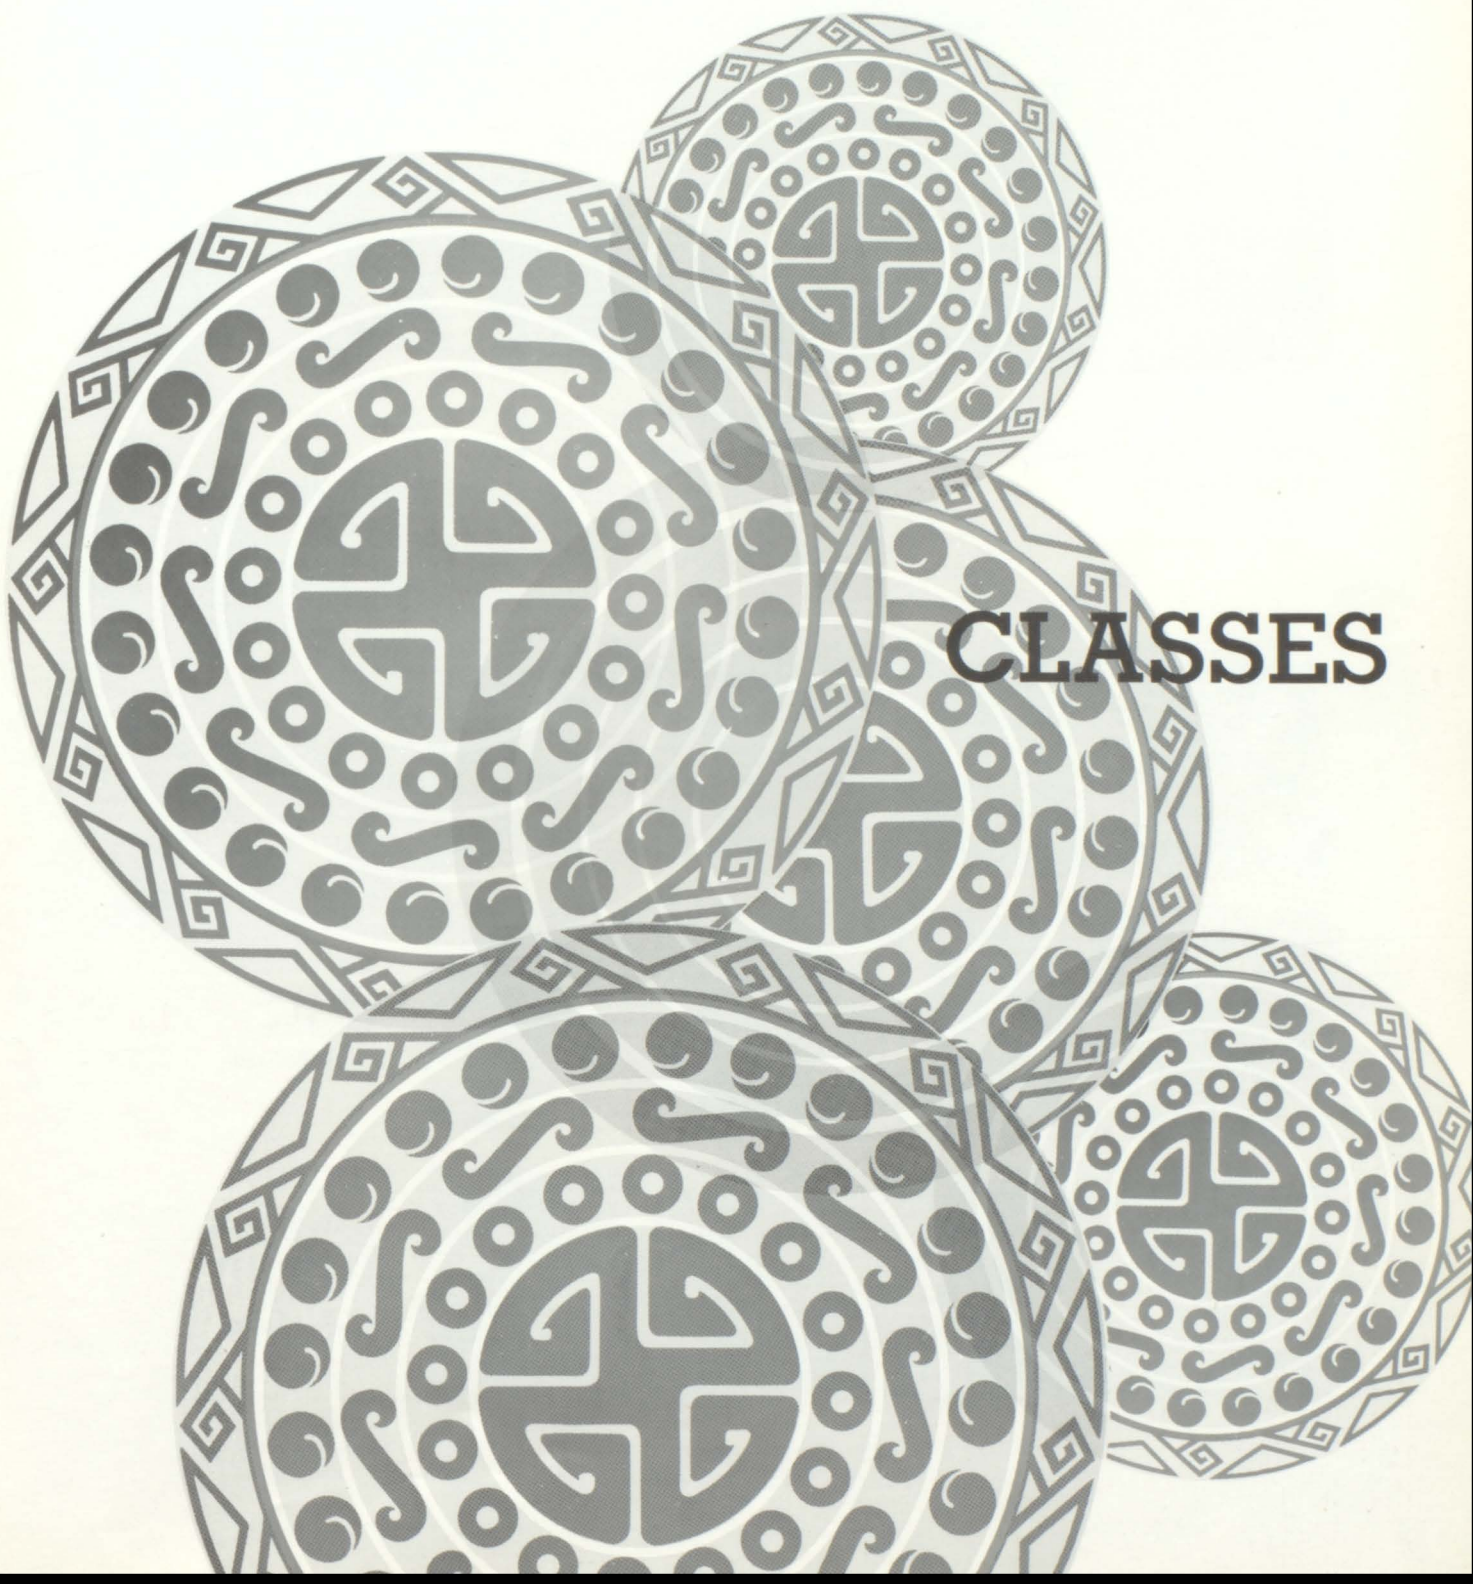

Baseball is on the upswing at B. H. S. and that is the reason for a Junior varsity team. This squad is made of boys from the 9 & 10 grades.

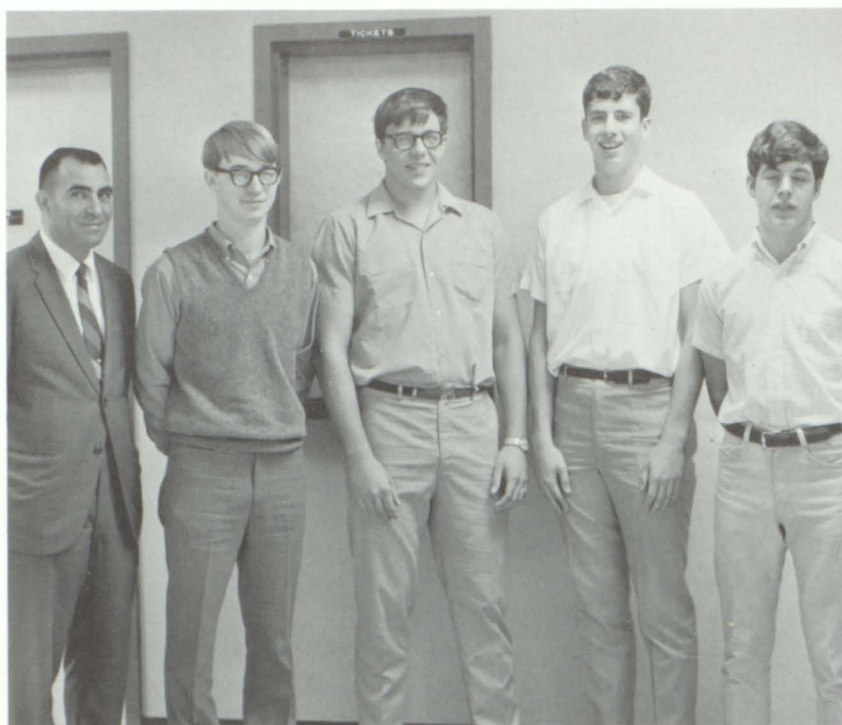

Greg Salatin, who has pitched four years for B. H. S., is a strong candidate to make the all-conference team. Dave Bischoff has been a regular outfielder since his freshman year. He has been all conference twice as he has been the leading hitter of the squad.

Seated: Mr. Sagester, Moorman, Salatin, Butt, Schantz, Mollaun, Rouse, Bischoff, Mr. Dunker. 2nd: Beverage, Buck, Schath, Pohlman, Johnston, Widolff, Weigel, Foley. 3rd: N. Kurtz, Lamping, Wessel, Ollier, Prickel, Goldsmith, Wolters, King. 4th: Dickey, Stein, Billman, Fischmer, Weigel, Krekeler, Rell, Maple.

CLASSES

Juniors

The major projects sponsored by the class help pay for the prom held in honor of the senior class.

The juniors are led by Mr. Carmichael and the class officers, Randy Mehlon, Daryl Siefert, Dan Wanstrath, and Larry Narwold. Mr. Vicars also lends his artistic talents to the juniors and the prom.

Carol Lamppert represents this class as a varsity cheerleader and Kathy Meyer and Connie Smith were members of the Homecoming Court.

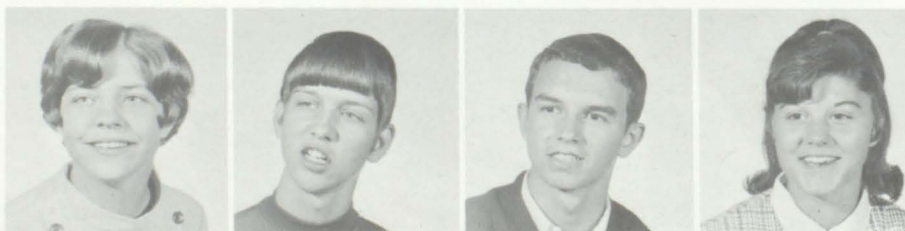

Junior class officers are Randy Mehlon, President; Dan Wanstrath, Vice-President; Larry Narwold, Secretary; Daryl Siefert, Treasurer; Mr. Carmichael, Sponsor.

Sophomores

The Sophomores contributed significantly to school life in areas ranging from sports to extra-curricular activities. There were many athletes in this class, both reserve and varsity. The Sophomore year marked the time many students initiated into the increased number of clubs opened to them. The Sophomores also faced the important decision of selecting the style of their class rings.

Kathy Maple and Libby Decker represented the class in the homecoming court. Mary Hoyer was the class heart representative.

Class officers are Bob Maple, Vice-President: Judy Sizemore, Secretary: Beth Romberger, Treasurer: and Phil Bedel, President. Class Sponsors are Mr. Yarber and Mr. Kelley.

Freshmen

The freshman class suffered the usual indignities of being called "rhines" and getting lost during the first week of school. For the first time, these students enjoyed the academic freedom associated with choosing their desired electives. They learned the fundamentals of fermentation in biology and the balancing of unknowns in algebra.

Before the year ended, the freshmen became an essential part of BHS through their participation in extra-curricular activities and organizations.

Blithe

I'll bet Helen Hayes never got such good advice

"Everyone join hands and remove all thoughts from your minds."

"Oh, my God! She's come back!"

The March production of the Forensics Club was *Blithe Spirit* by Noel Coward. The story centers around a man who has twice as many problems as most married men; he has two wives! one of them, dead, is accidentally conjured up at a seance and the trouble begins.

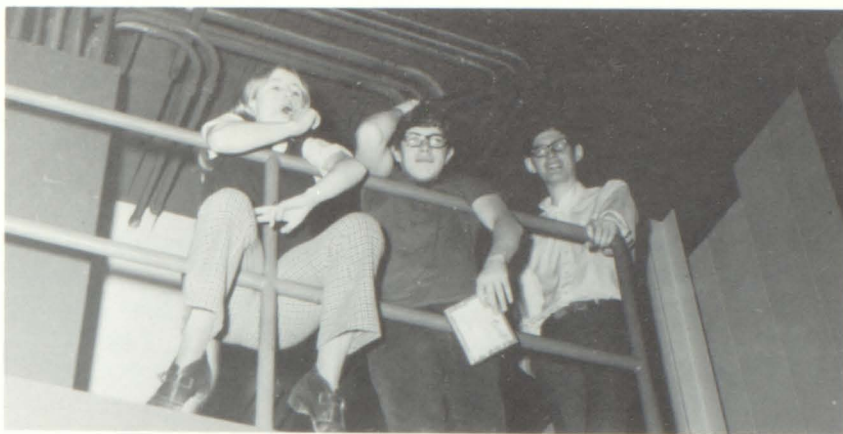

The production starred Dave Rouse, Elaine Kops, Lucinda Bauer, Kathy Krieger, Sam Mollaun, Becky Bareus, and Becky Boerstler.

"Edith will now sing two verses of 'Always'"

Spirit

The crew worked long hard hours preparing the set so that the last scene would be letter-perfect. Pictures fell, vases broke like clock-work. Everyone associated with the play agreed that the performances were a "Smashing" success in spite of a snow storm opening night.

These are just three of the hardworking crew members.

Diana views the play the hard way.

"The power of love tugged and tugged at me. Didn't it, sweet?"

"Take two aspirin and call me in the morning."

"I don't think you ever loved me really."
